Product

OBEGI FOR CHEMICAL INDUSTRIES AND POLYMERS (OCIP) is a brand-new plant that utilizes state-of-the-art technology for the production of high-quality water-based emulsion polymers (Homo-polymers & Co-polymers) for the coating, construction and adhesive industries.

Premises

Head Office: 50 Road 105 | Maadi | Level 3 | Cairo | Egypt
Tel: +20 (2) 2525 3750 +20 (2) 2525 3724 | Ext: 334 |
Fax: +20 (2) 2525 3749 | Mobile: +20 1283010151

Plant (SA/PVA): Plots 144:159 | phase 3 | Industrial Area | Wadi Al Natrun
| Al Behera Gov. | Egypt Tel: +20 (45) 3550323 +20(45) 3550328
+20 (45) 3550329 +20 (45) 3550316 | Fax: +20 (45) 3558806

Shifts/ Employees

The Total OCIP Titles are 126 Titles to cover the Plant 24/7 h .

The Scope of QMS covers the activities of “**Design, Production, Marketing and sales of water base Emulsion and aqueous solution Polymers**”.
Carried out by **OCIP (Obegi for Chemical Industries & Polymers)**.
